

# WHAT'S NEW ON THE 2020 UPDATE?

The **Urban Explorer™** collar from **DOG Copenhagen** is a strong lightweight collar made of durable stain and water resistant materials. The unique design provides full-length soft and breathable padding for comfortable daily use. The dual aluminum D-rings and efficient 3M™ reflectors ensure safety.

**NOTE:** All products have updated rubber logo label and all packaging are updated with our new official and trademarked logo.
